

## Saturday Swim Planned by JayCettes at Riviera Club

JayCettes, JayCeets, and their friends will don bathing suits for a Saturday night swim Aug. 7 at the Hollywood Riviera Club.

Arranged as an informal summer gathering, the party will continue from 8 to 10 o'clock. Hearty refreshments, with hot dogs as the main dish, will follow the two-hour swimming session.

Mrs. Howard Percy, president of the JayCettes, is in charge of arrangements for the party. This is the second big summer affair since she took over club leadership early last month. Approximately 25 couples danced to the perennially favorite Glenn Miller music at the Moose Hall last Saturday night.

Plans for the club's Community Fair booth will be formulated at an executive board meeting on Tuesday, Aug. 10, at the 1516 W. 218th St. home of Mrs. Fred Hansen. Discussion will begin at 7:30 p.m.

A general meeting will be held the following Tuesday, Aug. 17, at the Western Club, 15516 Western Ave., Gardena, at 7:30 p.m. Dinner will precede the business agenda.

## Plan Vacation Daze Dance For Teen Set

"Vacation Daze" will be the theme of a dance sponsored by the Torrance Recreation Dept. Saturday night, Aug. 14, at the Civic Auditorium.

The affair will be for teenagers, and dancing will be to the music of the Torrance High School Vamp Quintet. Proceeds from the evening will go for uniforms for the Torrance High School band, with tickets priced at 50 cents per person or \$1 a couple.

Entertainment will be given by the Torrance Talent Troupe. Decorations will follow the vacation theme, and teenagers who volunteer four hours or more to help decorate the auditorium will receive a free tickets.

Tony Gallo and Mrs. Arthur Billings are working on the dance. Teen-agers who wish to help on the dance can contact them at the recreation department.

## Odd Fellows Plan Annual Sunday Picnic

Busy planning picnic baskets to take to the annual Odd Fellows picnic Sunday, Aug. 8, are members of Trio Odd Fellows Lodge 495 and their families. The summer get-together will be held at Recreation Park in Long Beach.

A baseball game will start off the day's fun at 9:30 a. m. and lunch will follow at noon, with coffee, pop, and milk served by the committee to supplement individual family baskets. Games and entertainment for the whole family will follow in the afternoon.

Trio Rebekah Lodge and their families also are planning to attend the picnic.

The Odd Fellows will hold their next regular meeting on Monday, Aug. 9, at 8 p. m., at the Woman's Clubhouse, 1422 Engracia Ave.

## 5th Birthday Fete Held for Tommy Evans

Miniature horses on a colorful carousel pranced around the birthday cake of 5-year-old Tommy Evans when his mother, Mrs. Robert Evans, planned a party for him and his small friends Saturday afternoon.

Gathering first at the 1212 Felbar Ave. Evans home, the children received tiny wrist watches as souvenirs of the occasion, party hats, and poppers. At Lomita Park they worked up appetites for the picnic lunch and birthday cake, baked by Mrs. Galen Truesdell, by playing on swings, slides, and bars.

Sharing in the fun were Bobby McElhose, Kenny Hall, Bill Valles, Patti Knowles, Patti Bradford, and Bonnie Schmidt.

### Make Salty Dough to Keep Tots Busy on Baking Day

Here's a recipe that has many uses—to keep little fingers out of mom's dough while she's baking, to keep the tots from eating said dough, to give them something to do on a rainy day, and to help them pass away the hours while convalescing from sickness.

The formula originated with the Torrance Cooperative Nursery School and was told to the HERALD this week by Mrs. Robert (Margaret) Evans of 1212 Felbar Ave., who had the task of making the special dough all last year.

Her two sons, 5-year-old Tommy and 3-year-old Timmy, like other youngsters enrolled in the school, got quite a kick out of "dough day" and it's a simple matter for the pretty matron who used to edit society for a Trinidad, Colo., newspaper, to mix up the concoction for them while she bakes a pie or cookies.

The secret is salt, she explained, for the large quantity used discourages the children from eating the dough.

Recipe for the tots' delight is as follows:

- 3 C. flour
- 3 C salt (if you don't want to measure out the three cups, just pour in a box of salt measuring 1 lb. 10 oz.
- 1 1/2 C. water

"Just stir the mixture with a fork and you're finished," Mrs. Evans said. "What could be simpler?"

"And the best part of all is that you don't have to mix a new batch everytime you bake. The dough lasts practically forever when you keep it in the refrigerator."

BAKING DAY... is never harassing for Mrs. Robert (Margaret) Evans of 1212 Felbar Ave. even though she has two small boys. The lads keep their fingers out of her pie or cookie dough because she mixes them a batch of their own (see recipe at right) to play with.
